

A personal statement of faith says what you believe. The Apostle's Creed is an example of a statement of faith. You are invited to write your own personal statement of faith. You will be asked to share your statement of faith with the Session on **Tuesday, March 23 at 7:30 pm** in the Lower Lounge of the church as the final step in confirmation. The Weekend Retreat is designed to really help you clarify what you believe! Your faith statement can be as simple as, "I believe in Jesus Christ as my Lord and Savior," to as detailed as a few pages. The **purpose** of your personal faith statement is to tell others what you believe. A template of a typical faith statement is provided below. You might want to use this to help you get started.

I believe in God ...

I believe in Jesus Christ...

I believe in the Holy Spirit...

I believe in the Church...

I believe in the forgiveness of sin through Jesus Christ...

I believe in the resurrection of the body when Jesus Christ comes again...

I believe the world is created by God as good...
